DELBRÜCK

■ Modern, extravagant design

Wardrobes: Hinged door robes: wardrobe height 222 cm, wardrobe depths 44 cm and 62 cm
 Hinged-door elements available in widths of 50 cm and 100 cm
 Front surfaces in highgloss white, lava grey and black
 in combination with Old Nature Light Oak, Brown Oak and Grey Oak
 in combination with chrome coloured long handle G151 (per element 1 handle),
 or chrome coloured handle G168 (per door 1 handle)

Front surface Front 21, 18 mm thick with soft edging
 Front 28, 18 mm thick in Old Nature
 ▲New door length: 220 cm, visible base plinth: 2 cm

Style: D01, exterior and center doors have the same colour, same front design
 D03, exterior and center doors in different front design

Sliding door robes are available in different widths from 164 cm to 327 cm, depth 72 cm
 For design S11 and S61 illuminated handles are available as an option

A chrome coloured cornice frame for the hinged door robe, as well as a chrome coloured cornice
 and a cornice frame in carcass colour for the sliding door robes make the wardrobe design perfect

Softclose-doorstop is standard for all hinged and sliding door wardrobes
 Made to measure items

Bed systems: Modern bedset, with or without upholstered headboard and footboard, as well as in combination
 with Old Nature Light Oak, Brown Oak and Grey Oak in the width of 90 to 200 cm
 and a height of the bedside panels of 48 cm

An indirect lighting behind the headboard is available at a surcharge
 The height of the resting area can be adjusted to different levels

Bedside lockers: Two different styles of bedside cabinets, in different designs
 make the bedset complete
 Softclose for drawers is standard

Chests / occasional furniture: Designoriented chests in different widths and heights,
 with drawers or doors make the programme complete

carcass colours: Exterior side: white matt interior carcass colour: Life Stone
 Exterior side: black mat interior carcass colour: Life Stone
 Exterior: Lava grey matt interior carcass colour: Life Stone

Front surfaces High gloss:
 The beautiful sheen of the surface is generated by the high-quality thermoplastic foil
 In addition to an outstanding optical appearance, high-gloss fronts are easy to use
 in everyday life and easy to clean

For constructive reasons and in the context of a technical further development we leave the right up
 to us to carry out changes in the described model any time.
