Construction Kit	Corpus with relax and sleep function in 5 different widths, 3 choices of armrests.
Bed box	All sofas have a storage box.
Cover	Diverse choices of fabrics, microfiber or imitation leather.
Frame	The frame structure is made of beech wood and wood materials. The storage box is painted in L94-aluminium as standard.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric. Springing of hard-wearing straps. In case of fabric and microfiber covers, the sleeping area is covered with fabric / microfiber.
Function	The seat is extendable in two steps (step 1 = relaxing position, step 2 = sleeping position). The relaxing position is reached by pulling forward the extension and folding back the seat. The sleeping position is completed by pulling forward the extension up to the end, folding back the seat and turning forward the back of the sofa.
