DORMETTE

DORMETTE is a sofa, lounge and a comfortable bed in one. The modular system consists of sofas in different widths, various add-on parts and cushions. Several qualities of mattresses, a slatted frame with adjustable hardness in the lumbar area and an adjustable head- and footrest, a large storage box as well as removable covers are a guarantee for comfort. (Design Franz Fertig)

TECHNICAL DATA

Width 208 / 218cm

Depth 100 / 108 / 128 / 138cm

Height 40cm

Seat width 200cm

Seat depth	90 / 120cm
Seat height	40cm
Deck height	40cm
Lying surface	90 / 120 x 200cm
Side panel width	10cm (in addition to corpus)
Back width	208cm
Bed box	The underframe has a white, ventilated storage box as standard.
Substructure	The underframe is made of solid beech wood and has a slatted frame as standard. The frame is equipped with a head and footrest adjustment. The hardness in the lumbar area is adjustable, too.
Bedspread	The padded bedcover is stitched with black sateen on the bottom side.
Mattresses	DORMETTE offers either a spring or a cold foam mattress. The mattress lies loosely on the slatted frame so that standard mattresses of other manufacturers can be used. The model dimensions are adjusted on a mattress height of 18cm.
Cover	Diverse choices of fabrics, microfiber or imitation leather.
Accessories	Diverse add-on parts (see pictures).
Exchange Cover	On request with removable covers.
Frame	The frame structure is made of beech wood and wood materials. High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric which is completely removable.
