since 1892

## FUN

Compact sofa with swivelling seat and foldable backrests. Due to the functions, the sofa can be easily transformed into a relaxation or sleeping area on normal seat height. FUN is available in two versions: Either with black powder-coated metal skids or with storage box. As accessory there is a round table which can be positioned on one or both transverse sides. The table(s) can also be installed afterwards. (Design V. Laprell, V. Classen)

## TECHNICAL DATA

**Width** 150cm

---

**Depth** 116cm

---

**Height** 87cm

---

**Seat width** 140cm

---

<b>Seat depth</b>	52cm
<b>Seat height</b>	42cm
<b>Deck height</b>	42cm
<b>Lying surface</b>	140 x 200cm
<b>Cover</b>	Diverse choices of covers and microfiber.
<b>Accessories</b>	Table with round painted plate. The support is black coated as standard. The table(s) can be positioned on one or both transverse sides and can be swivelled, too.
<b>Frame</b>	The frame structure is made of beech wood and wood materials. Underframe optionally with black coated metal skids or with black painted storage box. Storage box measures: 117 x 63 x 10cm (width x depth x height).
<b>Upholstery</b>	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric. Springing of hard-wearing straps.
<b>Function</b>	The swivelling seat and back element can be turned forward by 90 degrees. One backrest is integrated into the swivelling seat and can be multiply adjusted and fixed. The other backrest is attached to the underframe and can be folded forward in order to create a relaxation or sleeping area.
