SONETT

The sofa sleeper from the series SONETT with its classical, timeless design does not show its functionality at first glance. But only two steps are necessary to convert the lounge into a comfortable bed, which offers sleeping on normal bed height. With integrated ventilated storage box. Removable covers as further option. (Design Franz Fertig)

TECHNICAL DATA

Width 146 / 166cm

Depth 99cm

Height 86cm

Seat width 132 / 152cm

Seat depth	56cm
Seat height	42cm
Deck height	42cm
Lying surface	see drawing
Feet	Legs are made of beech wood, either stained or painted.
Bed box	All sofas and loungers are equipped with a ventilated storage box. The box is painted in L94-aluminium as standard.
Cover	Diverse choices of fabrics, microfiber, imitation leather or leather.
Exchange Cover	The sofas and loungers are optionally available with removable covers.
Frame	The frame structure is made of beech wood and wood materials.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric. Springing of hard-wearing straps.
Function	To complete the sleeping area on normal bed height, the seat can be extended and after that the backs of the sofas and add-on sofas can be turned forward. The sleeping area of the add-on sofas depends on the choice of an additional add-on recamiere or add-on corner sofa.
