SONETT

Through the combination of an add-on sofa and a recamiere or corner sofa the model SONETT becomes a synonym for the word "relaxing". Very easily the suite can be converted into a spacious sleeping area on normal bed height. All sofas and recamieres have a ventilated storage box and are also available with removable covers. An armchair and a pouf are also part of the model series. (Design Franz Fertig)

TECHNICAL DATA

Width 146 / 166cm (add-on sofa), 95cm (recamiere), 233cm (add-on corner sofa)

Depth 99cm (add-on sofa), 150cm (recamiere), 99cm (add-on corner sofa)

Height 86cm

Seat width	132 / 152cm (add-on sofa), 81cm (recamiere), 202cm (add-on corner sofa)
Seat depth	56cm (add-on sofa), 107cm (recamiere), 56cm (add-on corner sofa)
Seat height	42cm
Deck height	42cm
Lying surface	see drawing
Bed box	All sofas and loungers are equipped with a ventilated storage box. The box is painted in L94-aluminium as standard.
Cover	Diverse choices of fabrics, microfiber, imitation leather or leather.
Exchange Cover	The sofas and loungers are optionally available with removable covers.
Frame	Beech wood legs, optionally stained or painted. The frame structure is made of beech wood and wood materials.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric. Springing of hard-wearing straps.
Function	To complete the sleeping area on normal bed height, the seat can be extended and after that the backs of the sofas and add-on sofas can be turned forward. The sleeping area of the add-on sofas depends on the choice of an additional add-on recamiere or add-on corner sofa.
