DELBRÜCK

■ Modern exklusive design

- Wardrobes:**
- Wardrobe height: 222 cm
 - Wardrobe depths: 44 cm and 62 cm
 - Front surface Front 21, 18 mm thick with soft edging
 -  New door length: 220 cm, visible base plinth: 2 cm
 - Style: D01, exterior and interior doors in same surface colour
 - Hinged-door elements available in widths of 50 cm and 100 cm
 - Sliding door robes are available with different accent colours and in a width of 165 cm up to 300 cm
- A full cornice frame with or without lighting is available at a surcharge
- The hinged door robes are furnished with Softclose-doorstop as standard feature
- Made to measure items
- Bed systems:**
- Modern beds in the widths 160 cm, 180 cm and 200 cm
 - The height of the resting area can be adjusted to differend levels
- Bedside lockers:**
- Bedside cabinets with one drawer and a width of 60 cm make the bedset complete
 - The drawers of the bedside cabinet feature standard Quadro ball bearing runners self-closure and Softclose
- Chests / occasional furniture:**
- Chests either with doors or drawers are available in a height of 99 cm and in a width of 120 cm
 - All drawers are fitted with Quadro technology and self-closing feature in conjunction with Softclose.
 - This range is completed by a wall mirror
- carcass colours:**
- | | |
|-------------------------------------|-------------------------------------|
| Exterior: cream matt | interior carcass colour: Life Stone |
| Exterior side: french walnut veneer | interior carcass colour: Life Stone |
| Exterior: royal oak veneer | interior carcass colour: Life Stone |
- Surfaces:**
- Lacquer:
- The lacquers we use have been tested and comply with the DIN standards as well as the stringent provisions of the health ordinance
- Solid wood veneer:
- Use of high-quality, carefully selected veneer
 - Individual appearance because it can be used both vertically and horizontally)
 - Natural growth features as well as differences in colour and structure are typical product properties and an unmistakable sign of genuineness

For constructive reasons and in the context of a technical further development we leave the right up to us to carry out changes in the described model any time.
